SUPPLEMENTAL ELD MATERIALS
(SB 1113 – BUDGET ACT 2004-05)**

SB 1113 requires that “the department shall develop a correlation matrix that shall be used to determine if the instructional materials correlate to the standards adopted by the State Board of Education. The contents of the matrix will be divided into the English language development levels of proficiency, and indicate how the English language development standards will be used to provide a path to obtaining grade level skills in reading, writing, and speaking.”

Program Title: Let’s Talk About It!, Kit A

Grade Level(s): Grade K, Listening and Speaking

Program Description:

The Let’s Talk About It! Oral language: Reading program is a sequential, structured approach to both building the oral language capacity of the students and developing their ability to distinguish print, build, their print concepts, and develop a sense of author. Let’s Talk About It! is built upon the belief that reading is a process of integrating all three cue sources: meaning (syntax), visual (graph phonic), and structure (semantic). The linking of all three is done through a stimulating set of photo posters that provide the basis for the oral-language development.

Abbreviation code: (Please indicate the code you will use in the publishers citations, e.g. TE = teachers’ edition, WB = workbook, etc.)
